# Introduction

**Jinesh  
Kansara**

Hi, my name is Jinesh Kansara, I am currently pursuing post-graduation in cloud computing program from Humber collage and actively looking for industry specific experience. Throughout my career, I have developed diverse range of skills that I believe are a great match for the position of internet marketing associate, SEO, web development. I am highly specialized in web development, WordPress, graphic designing (Canva, Ps, CorelDraw) and have actively contributed towards the development of wide variety of projects related to SEO, digital marketing. With the help of my interpersonal skills and ability to work in a multicultural environment, I believe that I can bring value to the organization by contributing to the financial and commercial goals of the associated organization.
